## Welcome to MIA Insurance

You need insurance coverage, be it to protect your home, auto, business, the future of your loved ones, or a variety of other needs. We offer all types of insurance under one roof.

Most insurance companies will offer you similar services. But as a customer, you must know how the services are offered, and what value you're getting. Because these things can make a big difference later on. Since 1989, MIA Insurance has been providing services that are dependable, world-class, and extend well beyond the sale of an insurance policy.

We are a private, independently owned company based in La Crescenta, CA. Our insurance professionals are always there for you when you need them. They will first listen to you, and understand your needs. Then they will guide you through the various options, so that you understand the implications. Finally, they will help you select the right insurance.

You will find our customer service friendly, and eager to help you around the clock. We are there to answer your questions and solve your problems.
